

Nautical Channel Expands its distribution in Russia with RosTelecom and Beeline

Nautical Channel launched in October on Rostelecom (Telecom Russia) the largest telephone and IpTv company in Russia with over 100 million subscribers and in June on Beeline, the second largest telecoms operator. Laurence F. Hopper, CEO of Nautical Channel said "we are delighted to be able to bring the nautical world including superyachts, power boating, surfing, sailing and more to a larger audience in Russia. More people will be able to enjoy the unparalleled nautical sports, travel and lifestyle than ever before."

Rostelecom (www.rostelecom.ru) The leading landline, broadband access and IPTV service provider in Russia serving more than 100 million subscribers in 80 regions. Rostelecom offers cutting-edge fixed and mobile telephony, broadband access, pay television and cloud solutions to consumers and businesses.

Beeline (www.beeline.ru), is Russia's third-largest wireless and second-largest telecommunications operator with the second largest number of IpTV subscribers across the country.

Nautical Channel is the only international TV channel dedicated to the world of nautical sports and lifestyle. It is available to over 20 million subscribers, in 42 countries, in English, French, Russian, German, and Italian (Y&S). The channel is offered on over one hundred international pay TV, satellite, subscriber IpTV, mobile phone, Digital Terrestrial, MMDS and cable TV platforms. From sailing to surfing, the programming wheel captures all the action happening on the water!
