

NAUTICAL CHANNEL BECOMES MEDIA PARTNER OF RC-44 TEAM AQUA

Nautical Channel is pleased to be the media partner of Chris Bake's team Aqua, the winner of the 2011 RC-44 circuit. Aqua will be a permanent feature of the Nautical Channel web site and Facebook page and will be featured on Nautical Channel on a regular basis starting with a special feature on team Aqua at the Lake Traunsee venue in the end of May.

About Team Aqua:

Chris Bake's Team Aqua has been one of the leading forces on the RC44 Championship Tour circuit ever since its launch in 2007. With top match racing talent Cameron Appleton the permanent fixture as the team's pro sailor, Team Aqua claimed the 2011 RC44 Championship Tour title with an event to spare. With a new boat for the 2011 season, Team Aqua is not only one of the principal contenders on the Tour but also uses its boat as a platform to support the World Land Trust and 2041.

About Nautical Channel:

Nautical Channel is the only international 24/7 nautical sports and lifestyle channel in the world. The channel caters to a local and worldwide audience and is available to about fifteen million subscribers in over twenty nine countries in English, French and German.

Nautical Channel provides viewers with the best sports and lifestyle programming explained by international experts in a clear and simple way for all levels of boating expertise. The award winning programming reaches a well-defined audience, but also has a broad general public appeal.

Sailing and boating sports make up more than half the programming. Everything from boating sports (power and sailing) to news, travel, adventure, yachts, surfing, on-board interviews, shipyards, equipment, undersea wrecks, and a lot more.
