

OFFSHORE ADVENTURE SERIES

NAUTICAL CHANNEL has acquired from Indigo Film at MipTV the rights for the double Emmy Award-winning series - Offshore Adventures - which will be aired in Europe for the first time on Nautical Channel.

The four seasons of 52 episodes take the viewer on a journey of discovery, exploring the offshore world, experiencing its mystery and celebrating its beauty. Offshore Adventures is an ocean-oriented documentary-style travel chronicle of a team of four adventurous young people and a 72-foot fishing yacht, the "Go Fisch". Hosted by boat owners Chris and Melissa Fischer, and featuring Captain Brett McBride and gourmet chef Carlos Cham, the team journeys to exotic destinations and locales, fishing, freediving, surfing, and exploring the cities, towns, villages, and countrysides of the coastal areas they visit. In each episode, Chef Cham provides creative, delicious gourmet meals utilizing the day's catch in the "Gourmet Galley" cooking segment.

About Nautical Channel:

Nautical Channel is the only International 24/7 nautical sports and lifestyle channel in the world. The channel caters to a local and worldwide audience and is available to about fifteen million subscribers in over twenty nine countries in English, French and German.

Nautical Channel provides viewers with the best sports and lifestyle programming explained by international experts in a clear and simple way for all levels of boating expertise. The award winning programming reaches a well-defined audience, but also has a broad general public appeal.

Sailing and boating sports make up more than half the programming. Everything from boating sports (power and sailing) to news, travel, adventure, yachts, surfing, on-board interviews, shipyards, equipment, undersea wrecks, an a lot more.

About Indigo Film and Television:

Formed in 1998, Indigo is an independently owned company with extensive experience, strong relationships and an established reputation. As a young proactive company with a wealth of knowledge and contacts, Indigo has developed a successful international distribution and co-production business of quality films, drama series, documentaries, entertainment series and children's programming.

Producers represented by Indigo benefit from genre-specific sales managers, able to map out the best routes for multi-territory deals which yield maximum possible return. It is knowledge of trends in the marketplace, diversity of client portfolio and multilingual sales personnel, along with a committed marketing department, that producers and buyers find at Indigo. Fast turnaround, smooth project management and international development expertise are integral to Indigo's current growth, and always will be.

Indigo's ethos is to promote the producer's brand, by increasing their awareness and visibility to buyers and trade press worldwide, as well as creating opportunities in mobile, online and in-flight arenas.
